**Picturing Textual Details**

Book Title: *The Stolen Child*      Author: Keith Donohue

*The first picture represents the setting, the place where the band of wild childlike beings is living. My illustration shows where most of the action in the book occurs.*

*The second picture establishes the moment in the book where Henry has been kidnapped. I illustrated this action because it is the conflict of the story. It shows the beginning of the challenges Henry must face.*

*The third and last picture shows how the band of the kidnappers and Henry have been bonding at the end of the story. Henry has become part of his captors' society.*
