

SELF-QUESTIONING STRATEGY FEEDBACK

You did awesome when you...

Attended to clues as you read

Said some questions

Kept predictions in mind

Identified the answers

Talked about the answers

Used complete sentences (subject/verb)

Made sure each statement made sense

Used a variety of “w” and “h” words (questions)

Made sure each statement related to the passage

Next time, you’ll do even better if you try to...

Find words that make you wonder (attend to clues)

Use a variety of “w” and “h” words (say some questions)

Talk about the answers before saying new questions and making new predictions (remember to write “not found” if you do not find the answer)

Use complete sentences (subject/verb)

Make sure each statement makes sense

Make sure each statement relates to the passage
